Merry Christmas and Happy New Year!

This is our final newsletter of 2013, and we would like to wish all our patients a peaceful and prosperous year ahead.

January Offer! Free check up when joining Denplan!

We have a great offer for January 2014 - New Denplan joiners will receive their check up and clean for free! We really believe that joining a plan encourages regular attendance and improves dental health, so in January we are offering our private patients the chance to join a plan, from £6.95 per month Essentials, and from £13.30 per month for Care with the added benefit of a one off checkup and short scale and polish for free. Already a Denplan patient? Then please let your friends and family know about this offer and the benefits you have found with membership.

Broken tooth? Lost filling? Sensitivity?

When booking your check up appointment if you are having a problem please tell the receptionist. We may be able to allocate you more time, but if not it helps with efficient surgery time management if we know in advance if you are having trouble.

Keeping in touch with you

We offer a text message reminder system for your booked appointments. Three working days before your appointment you will receive a free text message to remind you of the time and date of your appointment. To ensure that you receive these helpful reminders please check that reception has your correct telephone numbers.

New Patients Welcome

We are always happy to welcome new patients and especially enjoy seeing those who come as referrals from our existing patients. If you have family or friends who could be interested in joining the practice then please pass on our details. You may also like to ask them to visit our website www.wallheathdental.co.uk

Parking

We have a small car park to the side of the practice and the Prince Albert Hotel landlord has kindly agreed to allow our patients to use their car park when visiting us.
